Spot Reduction: Fades dark spots, hyperpigmentation & scars

Brightening: Even and enhances skin tone

Purifying: Tightens and refines pores

Soothing: Calms irritated skin & reduces redness & inflammation

THE DIFFERENCE BETWEEN SERUM VS TONER

SERUM

Targeted active ingredients penetrate deep into the skin, addressing specific concerns like brightening, hydration, or anti-aging.

TONER

Toners have a more superficial effect on the skin. They help to rebalance the skin's pH, provide a fresh and hydrated complexion.

Comic Strips

I have no idea, the cure looks happy enough.

Now, better figure this out, Quack.

Oh, I don't know what it is, but something is not right here.

What? Has anyone warned the King and Queen?

Oh yeah, they left to do it right now!

Fairytale Land

And separate parts all of them went. Council to their destinies.

It was a lovely day in Fairytale Land.

THE EVIL LORD MELECK

Here and there will arrive here, but here we will join my nation.

Oh, why are you standing with her? You are here!

Well, I just want to do the King's bidding.

Mmm... Yes... whatever you say.

I shall make her innocent's shall MELECK's girl be VICTIMS!

Wake up, Huckle! Please! Wake up!!!

What am I gonna do...

To decide the story, you must choose, the destiny!

I will do it. I want to. I have to for Huckle.

Whatever obstacle I face, will be worth it.

This will be a test of kindness, courage, and wisdom.

Wow, that sounds like a challenge for a true princess!

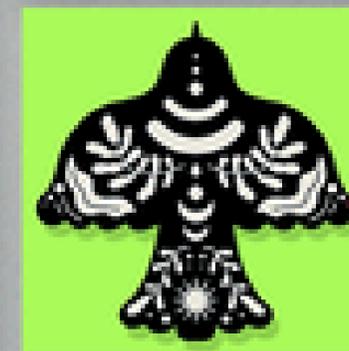

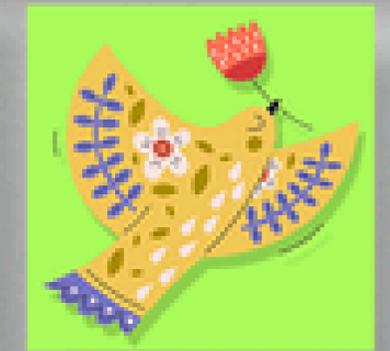

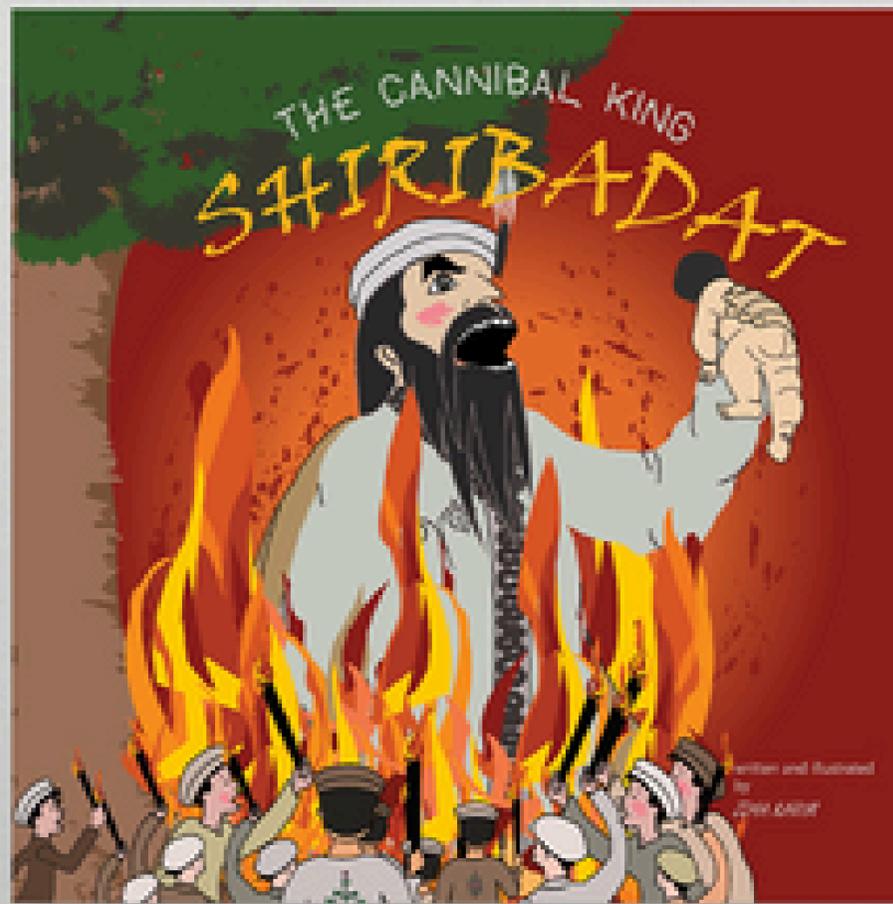

The time for the Great Conjuror is upon us, Murrigah!

But as darkness spreads so did doubt.

But how do I know I have what it takes...

The love and magic of Fairytale Land lives within you, Murrigah!
